

PetroCoal 2014

Energy, Environment, Efficiency, Equity & Entrepreneurship for a Greener Planet

New Delhi, December 26, 2013: World PetroCoal Congress-2014, the world's only congress on Petroleum-Coal-Gas industries with a focus on Synergy for Energy scheduled from February 15 to 17, 2014 will focus on '**Energy, Environment, Efficiency, Equity & Entrepreneurship for a Greener Planet**', where you will share ideas with global energy industry leaders, experts, financiers, network and do business with leading companies. It's a great opportunity to expand your business and keep up-to-date with developments in energy technologies. Mr. Anil Razdan, Former Secretary Power Government of India, Chairing the Steering Committee of 4th World PetroCoal Congress-2014. www.worldpetrocoal.com

The WPCC-2014 organized with the support of the Ministries of Petroleum & Natural Gas, Coal, Power, Earth Sciences & Department of Science & Technology, Government of India. Plenary Sessions, Technical Sessions and Panel Discussion during WPCC-2014 promise to bring to the table insights which have relevance to global industries players.

The 4th World PetroCoal Congress and Expo-2014 is the most important energy industry conference that will have **97+ high profiled global speakers and industry leaders** in **Plenary sessions, interactive Keynote sessions, CEO's Forum**, thought-provoking **panel discussions** and **poster sessions** to provide the focal points for translating knowledge into action. The Congress encourages activities of business matching, **B2B meetings**, especially focused on key industry issues and emerging energy solutions while pursuing business building and networking. www.worldpetrocoal.com

Speakers and delegates from **Australia, France, Indonesia, India, Iran, Japan, Malaysia, Singapore, Spain, South Africa, United Kingdom, USA** apart from key executive of many national energy companies have confirmed their participation in the conference. Many students will also be attending. www.worldpetrocoal.com

Nominations are invited for the “Energy And Environment Foundation Global Excellence Awards 2014” in Petroleum-Coal-Gas Sector. EE-Foundation goal has been to honor and recognize those who have made outstanding contribution and demonstrated excellence creativity, innovation and applied best practices in energy industry. The Award will serve as a recognition and tribute to the winner's professionalism commitment to demonstrate excellence in energy sector. **Energy And Environment Foundation Global Excellence Awards 2014 will be conferred on the Inaugural Ceremony of the 4th World PetroCoal Congress-2014 on 15th February 2014 at New Delhi, India.**

Exhibitors are invited to display their cutting-edge technology, innovations, products and services. With over 300+ delegates from across the globe gathering for the conference and Expo. Networking with industry key people over lunch, cocktails and gala-dinner night. Meet industry peers and policy makers over three days of exciting networking sessions.

We look forward to welcome you for a stimulating exhilarating professional experience at the **4th World PetroCoal Congress and Expo-2014** during February 15-17, 2014 being held at Convention Centre-NDCC, Parliament Street, Opposite Jantar Mantar, New Delhi, India.
